

Knights  
of the  
Sovereign Teutonic  
Military Order.

Schifflande 5  
Zurich, Switzerland.

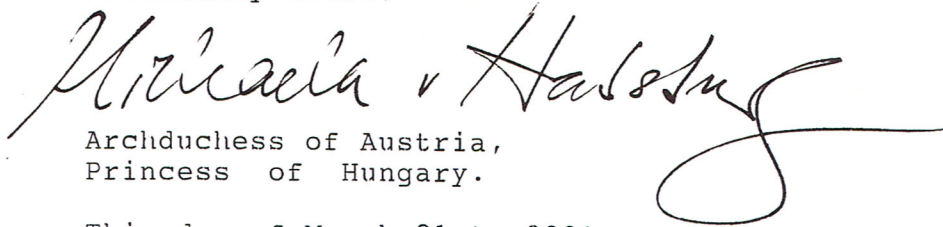

My Lords, Knights, Dames of the Order,

It is with sincere pleasure that I greet your efforts  
to continue the ideals and principles of a great and  
noble tradition.

Like my ancestors I pledge my support and assistance  
to those who fight the abuse of authority, the oppression  
of the poor and those who reach out for the needy, the  
elderly and the children of the world.

Thus my appreciation for your most noble Order, it's high  
purposes and distinguished members.

Faithfully Yours,

  
Archduchess of Austria,  
Princess of Hungary.

This day of March 31st. 2001.
