Dear Lichtenberg Foundation,

Please accept my apologies for the delay in responding to your kind and much needed donation to Wildlife Warriors.

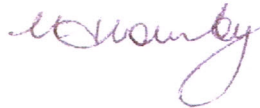

The global response to the passing of Steve Irwin and the public outpouring of sympathy we have received has been overwhelming, and a significant comfort to those who knew him. This is not just a loss for us, but everyone who loved him, and for the world's precious wildlife that he dedicated his life to.

Steve was a true original; he brought energy and passion to everything he did. Whether he was performing groundbreaking crocodile research, filming wildlife documentaries or celebrating his children's birthdays, Steve didn't do anything by half. A hard-core Wildlife Warrior and dedicated family man, Steve did for conservation and education what no one had ever done before. He brought wildlife conservation right into people's living rooms and created a whole new generation of Wildlife Warriors.

Our tribute to Steve is to ensure his legacy continues and his passion never dies. Wildlife Warriors is committed to continue the work that Steve started, and ensure that we achieve our mission *"To be the most effective wildlife conservation organisation in the world through the delivery of outstanding outcome-based programs and projects, inclusive of humanity."*

Wildlife Warriors offers our heartfelt thanks for your condolences, kind words and donation*. Through your support we can continue to realise Steve's dream – a healthier world for our children

Kind Regards,

Michael Hornby
Chief Executive Officer

*You can rest assured that 100% of your contribution will go directly to our conservation projects as Australia Zoo covers all our administration expenses.
